🪪 Profile

Creative and detail-focused Front-End Developer with a strong passion for clean design. I love building responsive, user-friendly interfaces using React.js and Tailwind CSS. Experienced in modern web apps, galleries, forms, and admin panels, with UX features like modals, animations, and lazy loading. Always excited to craft front-end experiences that look great and work smoothly.

💼 Experience

DiveGrid   Trivandrum, India
Front-End Developer

Westleys Qissa Cafe , Hakuna Matata Cafe   Ernakulam, India
Bartender,Service
